

QUARTERLY REVENUE REPORT - Q2 2026

Executive Summary:

Total revenue for Q2 2026 reached \$450K across all regions, representing a 15% increase over Q1. The US market continues to lead with \$180K, followed by EU (\$120K), APAC (\$90K), and LATAM (\$60K).

Key highlights:

- US grew 20% driven by enterprise deals
- EU stabilized after Q1 regulatory headwinds
- APAC showed strongest growth rate (35% QoQ)
- LATAM expanding into 3 new countries

See the chart below for regional breakdown:

Recommendations:

1. Increase investment in APAC sales team (highest growth potential)
2. Launch localized marketing for LATAM expansion
3. Maintain US enterprise focus with dedicated account managers
4. Monitor EU regulatory changes for compliance impact
